

Indy

Editor Application for Rolando A. Peñate

Prelude: For the purpose of conducting interviews, when will you be leaving Providence for the summer?

June 18th

1. List your section preference:

Design (part-time)

If Design is one of your section preferences, please include a brief description of your experience with design and layout, including any familiarity you might have with design software, particularly Adobe InDesign.

I ♥ spreads.

2. Give us one reason why you want/have to be an Indy editor.

The parties.

3. What do you like about the Indy in general? What do you see as its faults? Which specific articles did you find engaging?

It's cool in print, but the website sucks. I pity the poor caribou.
